## ADDITIONAL INFORMATION

The Flare Shade Saville square café outdoor umbrella is made from commercial grade aluminium and has a three year manufacturers defaults warranty. The 50mm thirty face Flare Shade signature pole is 2.8mm thick and the 17x32mm ribs are 1.8mm thick to ensure strength and durability.

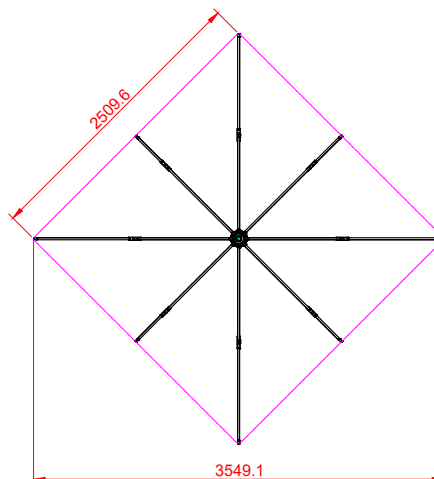

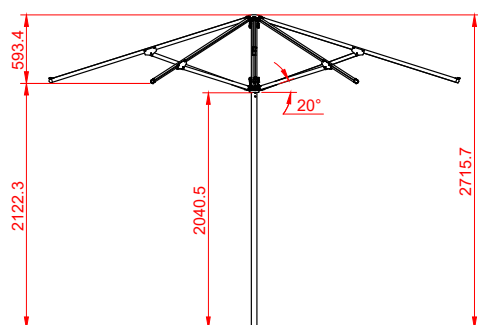

The centre hubs are laser engraved and made from solid forged aluminium. The canopy is available in two heavy duty fabrics; the imported Spanish Recasens which has a five year fade resistance warranty, and Olefin fabric which has a two year fade resistance warranty.

Custom screen printed umbrella branding options are also available. Supply your own logo or have our expert designers do the work for you!
